Our Winemaker Offers - for a more professional presentation.

1. (€ 20 / year 1-10 addresses, €40 / year unlimited addresses) Professionnel email addresses and a multilingual web-based system for reading, storing and sending them (included with all newsletter and website orders). Don't continue to use [your\\_chateau@wanadoo.fr](mailto:your_chateau@wanadoo.fr) [2]; rather choose a wine-related professionnel email address to put on your website, business cards, invoices, etc. Choose from [vigne.biz](http://vigne.biz), [LaCaveàVin.net](http://LaCaveàVin.net), [Bopire.biz](http://Bopire.biz), [Vignoble.info](http://Vignoble.info), [vignerons.info](http://vignerons.info), For example:

[Your\\_name@vigne.biz](mailto:Your_name@vigne.biz) [3] or [name@vignerons.info](mailto:name@vignerons.info) [4] or [your.name@boire.info](mailto:your.name@boire.info) [5] or

[what.you.like@vignoble.biz](mailto:what.you.like@vignoble.biz) [6] or [Chateau@LaCaveàVin.net](mailto:Chateau@LaCaveàVin.net) [7] for example.

All of the incoming emails can be copied to one or more email addresses (such as your "your-chateau@wanadoo.fr" [8]) address. You can send email and have email lists and email groups to send to - as many as you like - all in perfect French or English or any other language. Free support is included. You complete a web form to tell us what addresses you want.

2. (€ 95 / year) A Professional Newsletter system on any of the above-mentioned domains, (Included with all website orders) which you can manage yourself. Multilingual, HTML, easy to use. You can have multiple newsletters and subscribe your guests or clients or prospects to one or more newsletters in one or more languages. Free support is included.

3. A Professional website. E-Commerce or Window Shopping Display which can be converted into a full e-commerce store at any time. Multilingual or not, as you like. Naturally referenced and optimized for search engines. With optional SMS notifications for orders and deliveries. All e-commerce enabled websites have multilingual back office areas in which you can manage your stock, orders and deliveries of your online store as well as your off-line or bricks and mortar physical store or even your vineyard. All are easy to use and secured, and include an unlimited number of blogs, articles, pages, newsletters, users, products, product variants, photos and images.

The e-commerce store includes tax calculation, promotions, and more. We offer a choice of 10 mobile first responsive designs which look great on a big screen desktop computer as well as on mobile phones and tablets. We include free design customizations including color text type, font and size, backgrounds, and more - all of which you can manage yourself with any internet connection. We use the same professional site software as Darty and Carrefour! Free support for 1 year is included!

Professional Website Choices:

(1) (€ 1,495) Standalone – ChateauExemple.Com / Chateau-Example.com or Chateau.Example.Net

You own the domain name and the website which we build for you. We can host it for you - 1<sup>st</sup> year of our managed hosting is always free and always keeps your site and data secure, backed-up and up-to-date. Hosting is \$99 per year after the first year, and support is €195 per year after the first year. Or, you can host your site elsewhere- the site is yours to keep and move away from our managed hosting at any time.

(2) (€ 1,495 ) Subdomain on LaCaveàVin.net, Cuvée.net, Vigneron.info, Vigne.biz, Vignoble.biz, LeSommelier.info or LaRosé.net For example: ChateayB.Vigne.biz or ChateauC.

Chateau-Example.LaCaveàVin.net or ChateauExemple.LaRosé.net or ChateauY.Vignoble.biz

If you select this choice, the hosting is always included, and your site is always secure and fast! Add € 195 / year for support after the first year.

(3) (€ 195 / year) A self-managed store in one of the above-mentioned domains.
